Requirements for Master Professional

The following requirements are applicable in 2024 only.
Old applications and/or support materials based on previous years' requirements will not be accepted.

1. Must be a USPTA member in good standing.
2. Members must hold an Elite Professional rating for 10 years.
3. Must have completed 80 hours of specialty courses.
4. Must submit a digital presentation composed of six sections with the contents as follows:
 - Section 1:** Application and résumé
 - Section 2:** Research, publications and communications (point sheets with item-by-item verification of each point). All materials submitted must be published by May 1 of the year in question.
 - Section 3:** Service to the tennis industry, USPTA and/or USTA (point sheets with item-by-item verification of each point)
 - Section 4:** Ranking: for your student(s) (point sheets with item-by-item verification of each point)
 - Section 5:** Participation and self-improvement (point sheets with item-by-item verification of each point)
 - Section 6:** Specialty courses
5. To verify points, materials must be submitted according to the instructions given on the following pages. The type of support material that will be accepted is also discussed. **Please follow these instructions closely. All other support materials are unacceptable.** While the applicant is not graded on the style and layout of the scrapbook, the grading is based upon proper layout of documentation in the order that matches the outline, and completion of forms and section totals sheets. Please note that the committee does not do research on your application – it is up to the applicant to supply documentation in an orderly fashion to allow the committee to approve the highest point total in each section.
6. All electronic scrapbooks must be received by **May 1, 2024**, for committee review and potential presentation at the **2024 USPTA World Conference**. **If the person applying for Master Pro does not receive a response that the application has been received, it has not been received and will not be considered. Scrapbooks received after May 1, 2024, will be considered for 2025.**
7. The Master Professional Review Committee reserves the right to consider all highly qualified applicants for Master Pro status by waiving parts of the prerequisites that the committee feels the candidate has unreasonable hardship fulfilling.
8. Please include a current photo. This photo will also be used in awards and magazines. Must be a high-resolution photo in .jpg format only.
9. All applications, digital presentations and any questions regarding the Master Professional application should be emailed to: Department-Certification@uspta.org

Exhibit I

Guidelines for submitting articles to *ADDvantage*

- Articles published in the magazine typically range from 500-1,000 words long.
- There is a wide range of topics, but every article should cover some aspect of a teaching professional's job.
- *ADDvantage* magazine does not pay authors for their articles.
- Articles must be typed as they would appear in the magazine, as completed work. This means the article should not be an outline or written as notes. Also, it should be written in the third person (no "I" and "you").
- Contributions will be edited for magazine format and focus, and a copy will be sent to the author for review.
- Please send photos related to the topic, preferably black and white, if available. If you would like the photos returned, please indicate on the back.
- Articles submitted to *ADDvantage* are forwarded with the name of the author removed to the USPTA Technical Review Committee for approval.
- Authors must sign a release form for any work submitted to USPTA. This form assures the Association that you have not released the article previously to any other publication and prevents you from releasing it for further publication for a period of six months from the date of agreement.
- Please include a brief biography and a black and white photo (bust shot).
- It can take more than one year from the time an article is submitted to when it is published. Articles usually are published in the order they are received and on a space-available basis.
- Submit articles by going to the following link:
<https://www.cognitofirms.com/USPTA1/ADDvantageMagazineArticleSubmission>
