

PADEL

Certification Program

LEVEL 1

LEVEL 1: PRO PADEL PROFESSIONAL

TRAINING THE TRAINERS

All racquet Sports presents the **PADEL-U by adidas** Certification program that trains professionals to improve and perfect their knowledge and teaching methods. The certification's methodology pushes professionals to complete Padel training in technical, tactical, bio-mechanical & physical areas of the sport.

GOALS:

The Certification Program LEVEL 1 allows the participants to gain the knowledge and skills to:

- Identify the movements of the parts of the body in all the shot phases.
- Detect and correct students' technical issues and teach the right technique.
- Identify the accurate routine and progression based on student's level.
- Learn, teach and spread the sport of Padel.

CONTENT:

- **Methodology** of the basic shots and back & side wall + common mistakes recognition.
- **High intense practice of the strokes** + on-court teaching & guided games practice.
- **Analysis** of the movements and correct bio-mechanical performance.
- **Fundamentals** in both tactical & technical areas including movement identification and structural adjustments to understand the game and teach the proper technique for every shot.
- **Communication Skills & high energy** to teach Padel with commitment and motivation to get students started in Padel and grow the sport and the community of players.
